

## About Us

NIIFD celebrates Seven Years of Style and Innovation in the field of Fashion & Interiors. Though young the Institute has created the niche in the Industry along with the strong academics our focus has been industry interaction and association through guest lectures, seminars, technical and creative demonstrations, workshops, field visits and study trips.

The presence and expertise of a higher Eminent Advisory and Mentor board comprising of Eminent Industry Professionals will further strengthen the all important link between Education and the Industry. Under their guidance drawing on their experience and expertise the students will grow in stature and relevance to the industry needs and become a manpower that the industry can readily draw on.
